*Greeting from all of us*

## Indian Roller Industries is an ISO 9001 : 2015 Certified Co.

With this simple philosophy, the brand Indian Roller was born in 1990, as a rubber roller manufacturing company by a dedicated team of young & energetic professionals. Our unit is located in a 36,000 sq. Feet area in the industrial town of Sahibabad, Dist. Ghaziabad (Delhi & NCR). The mission was to create a good product that is honestly made and sincerely served.

Besides rubber lining, in the current decade, a new associate organization is being introduced in the field of cast Polyurethane (PU) with the help of world-wide experienced French based fully automatic Baule Brand machine along with automatic electric fire oven with latest Temperature Circulation device control.

*Indian Roller is backed by World Class Manufacturing Units*
